Decorative light balls from Tronix Lighting feature powerful lighting in a variety of atmospheric light colors. Each motif is equipped with a plug that you can easily combine with the Pro System Modular 230V system. This not only makes it possible to connect multiple motifs to a line, but also allows you to combine light motifs with light strings, icicle curtains and more.

Features

- IP65
- Available in various sizes, ideal for events and tree or street lighting
- Steel construction for a longer life and ease of use
- Compatible with Pro System Modular 230V and accessories
- Easy installation with suitable main cables
- Foldable design for easy handling and transport
- 3000K and FLASH 3000K to combine with our range of season and party lighting
