25.11.2026 - Disclaimer: information subject to change.

Meanwell's ICL-16L linear inrush current limiter protects a circuit from transient surge current caused by switching on AC or capacitive loads. This module uses thermal fuses and bypass relays to prevent possible overheating, significantly increasing product safety and reliability.

Features

- Suppresses 23A peak current and 16A continuous current
- 180 ~ 264VAC AC input
- Built-in thermal fuse and bypass relay

Technical specifications:

Product Name	Meanwell | ICL-16L | AC linear inrush current limiter
Ean	8714984941601
Outer box qty	1st
Mounting method	Surface mounted
Type of fastening	Mounting with screw
Material	Plastic
Material quality	Duroplast
Surface protection	Untreated
Colour	White
Surface finishing	Matt
RAL-number (similar)	9016
Min. depth of built-in installation box	25mm
Brand	Meanwell
Warranty	5 years
