The PO23 corner profile has a standard length of 200 cm and is suitable for flexible LED strips with a maximum width of 11 mm. Due to its compact size and low weight, this profile is excellent to combine with various furniture, home accessories, shop windows, shelves or ceilings and walls.

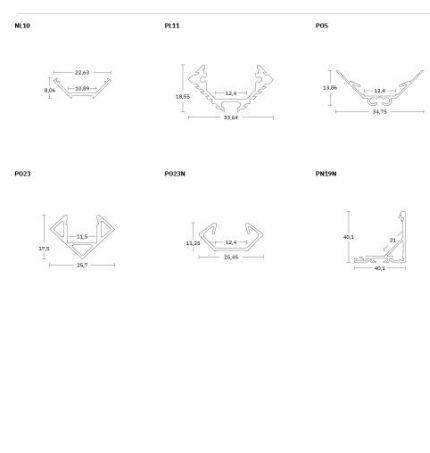

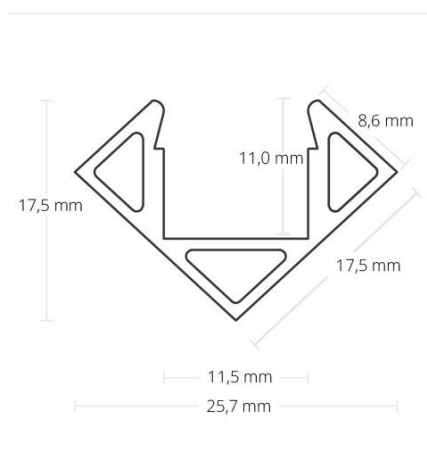

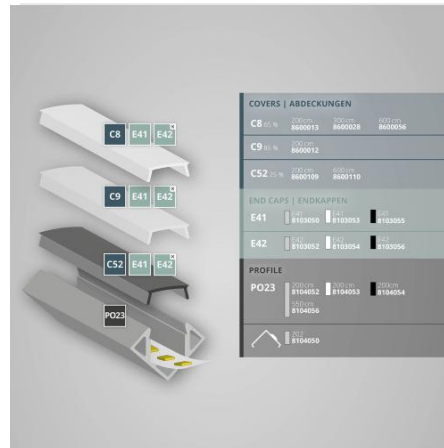

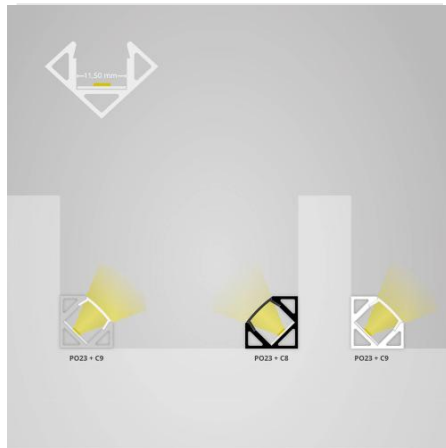

### Features

- To be combined with cover C8 and C9
- Type: Corner
- Max. width LED strip: 11 mm

### Technical specifications:

|                      |                                                         |
