An endcap, fitted for compatible connectors like 190-150.

Our LED RGB fixtures collection

The collection of LED RGB fixtures offers plenty of possibilities in terms of powerful, colorful lighting for facades and properties. These wall washers feature powerful LED chips in a sturdy frame, which offers high resistance to UV rays and weather. These fixtures also work on the basis of DMX512, so that every project can be taken care of down to the last detail.
