Compact RF LED controller for Tuneable White with seamless adjustment of brightness and colour temperature. Suitable for manual operation and wireless control, with synchronisation function for larger installations.

## Key product features

- **Control type:** RF
- **Number of colour channels:** 2
- **Output voltage (V):** 12 – 24
- **Input voltage (V):** 12 – 24
- **Max. output current (A):** 5
- **Type of control:** Constant voltage

## Technical specifications:

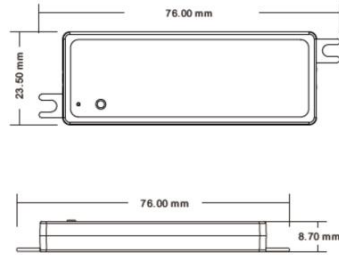

|                           |                                       |
