LED tree lighting with 24V low voltage provides a tree with beautiful light, while also providing safe installation. The LEDs feature a transparent housing, allowing the lights to create a beautiful all-round appearance. These elastic tie tubes allow a set of tree lights to be securely connected to the tree while protecting the tree and its branches.

Features

- 24V low voltage, ideal for safe installation in public areas
- Linkable on two sides (in and out)
- Easy in use
- Each package comes with fifty meters of tie tubes
